If you do not accept the changes, you can end this contract by telling us on or before the changes are due to take effect and arrange to switch to a different supplier. If you wish to cancel the contract after this date, the contract will end when your transfer to another energy supplier is complete.

Your switch should be completed no more than 21 days from the day after your cooling off period ends unless you've agreed a later date with us, or we are unable to complete your switch due to circumstances beyond our control.

No discounts will be applied to the final bill and you must pay the balance in full. If you have not paid an outstanding energy balance, we may stop you switching that energy supply to another supplier. This contract will end if Ofgem nominates another supplier to provide energy to the premises.

5. Meter readings

We will ensure where possible your meter is read every two years.

If we do not have a customer or actual meter reading, we will estimate your bill based on your previous usage. If this is not available we will use industry averages to estimate your energy usage.

We will use meter readings as proof of your energy usage unless your meter is found to be faulty.

Either of us can arrange for the meter to be tested. If you ask for a test by an independent meter examiner you must pay for the test in advance. If the meter is found to be accurate, the charges will not be refunded. Charges for meter testing will be based on reasonable costs.

If applicable, we will remove from your bill or statement any no mains gas discount if we discover that your premises is connected to or is subsequently connected to the mains gas network.

7. Payment

You agree to pay us as set out in your payments detailed overleaf unless subsequently agreed otherwise. Payment is due immediately if we send you a bill.

We will credit payments against outstanding balances on your account in the following priority; oldest energy charges followed by the oldest non-energy charges. If we need to split an account for more than one service or multiple premises we will use the most recent bill as the basis.

If you dispute a bill or statement please contact us immediately. We will work with you to resolve the issue.

- ask you to pay by another method;
- remove your discount that applies to the following bill;
